A Silver State *fabrics* exclusive offering, the Tommy Bahama Home line of beautifully woven Tommy Bahama®/Sunbrella® decorative fabrics is the latest addition to the Tommy Bahama Home collection which includes: home furnishings; outdoor furniture; rugs and floor coverings; bed, bath and table linens; ceiling fans and flatware, ceramics and glassware.

“We are proud that Silver State Inc. will have the exclusive rights to these exquisite outdoor Sunbrella® jacquards and printed fabrics. The Tommy Bahama Home collection has a luxurious hand and lofty textures that offers batik-inspired motifs, whimsical patterns, sculpted plush chenille’s and velvets, bold stripes and textured solids that are care free and create a unique sensory experience,” said Sargetakis.

“The collection, its textures and motifs, were inspired by lifestyle items –a basket from Capri; the intricate pattern of a thatch roof in St. Martin; a woven belt from Belize and the water pattern left in the sand after the tide has gone out. The amber glow of an afternoon sun inspired the color palette in warm and intense honey, caramel, bronze and brown and the soft salt wash of the oceans blues and greens,” according to Sargetakis.

As typical of most Silver State collections, the Tommy Bahama Home collection is a high performance textile collection with the woven patterns offering soil and stain resistancy, easy cleaning ability and color retention. The print collection is a 100 percent acrylic base fabric that is suitable for indoor or outdoor use. There will be a total of 98 exciting sku’s in this collection.
