SILVERSTATE fabrics ANNOUNCES
BODY & SOUL, A SMART LIFE™ COLLECTION
Chic, performance fabric with a social consciousness

SALT LAKE CITY, UTAH (September 2007) — SilverState *fabrics* is delighted to introduce Body & Soul, a Smart Life™ collection, according to Manoli Sargetakis, a principal of Silver State Inc.

Body & Soul is a revolutionary fabric collection that delivers extraordinary design, high performance specifications and uses recycled raw materials to create a higher valued product. It provides total comfort for your body and your soul. And with Body & Soul you can achieve it all without compromising any aesthetic beauty. Body & Soul is made from 100 percent recycled and recyclable Polyester that is extruded from the resin used in PET water bottles.

“Creativity and social consciousness make a great combination in life and both are represented in our Body & Soul book. This collection of Terratex recycled and recyclable fabrics, designed by Kate Korten, is our contribution to the most forward thinking in our industry,” said Sargetakis.

“By bringing great color, luxurious hand and sophisticated design together with the Terratex promise, we offer our customers the ability to not only do their part in environmental sustainability, but to also maintain superior aesthetics at the same time. By using Body & Soul designers can really choose a fabric that neither sacrifices nature nor performance,” he added.
