Newport

An exclusive  **sunbrella®** Collection

ALAXI fabrics by **SILVER STATE INC.** are known for being fashion focused and style driven. **ALAXI fabrics** are the apogee of indoor/outdoor Sunbrella® textiles. For 2017, our **Newport** collection does not disappoint. The look is soft, casual and luxurious.

Lost Horizon Is a large repeat ombré stripe with a subtle blending of colors for an almost ethereal feeling. These large stripes are railroaded and ideal for larger cushions. We like to call them “slimming stripes.” For seamless coordinating, solid **Cashmere** is ideal. Both patterns use new technology to give an unbelievably soft lusciousness.

As furniture gets larger and fuller, we are responding with more large repeating patterns. **Sojourn** is a very sophisticated pattern. It has chunky block chenille surrounded with lots of clean ground. An excellent match is the Lola pattern, our fat corduroy chenille with new colors for 2017.

Bringing in a bit of whimsy is **Ping Pong** in an irregular polka dot pattern and **Trippin’**, a swirling 3 color psychedelic statement making pattern.

All patterns in the **Newport** collection are covered by our **COLOR MATCH GUARANTEE** which protects you from dye lot issues and eliminates the need of cuttings for approval.
