Roman Holidays

An Exclusive Silver State Collection

Silver State fabrics is proud to introduce our newest collection: Roman Holidays. With stylized rosettes, geometric arrangements, polished textures and eye catching hues. Transport yourself back to the time when today's classic designs were made but with a contemporary spin. This collection is reminiscent of a simpler time with a charming combination of the old and the new. We added new colors to the popular pattern Watercolor from warm to icy tones of white, gray and blue. Corinth is like a classic piece of Italian marble conceived as fabric. Sag Harbor, Stratford, and Carolina are new stripes that are very subtle to bring that feeling of warmth and elegance. These will be easily paired with new coordinates Crave, Jedi, and Buckley.

Sunbrella fabric is woven from 100 percent acrylic yarns that are fade, stain and bleach resistant. Their colors will remain vibrant and solid throughout their lives of exposure to sun and messy guests. Perfect for demands of any setting be it indoors or outdoors.

Welcome to your Roman Holidays.
