### **INTRODUCING KINETIC COLLECTION**

Our great new Polycarbonate PU faux leather. But you have to touch it to believe it. In all the years of dealing with many different faux leathers we've never felt anything like this. You'll swear it has a nap-like velvet or chenille.

KINETIC will add elegance to any setting while giving you the confidence in its ability to handle the toughest environments. 100,000 double rubs with antibacterial, and anti-fungal protective finish. Use it in almost any commercial context, Hospitality, Contract, Commercial, and Healthcare. Excellent for Residential from the Penthouse to the RV.

Comes in 17 colors and is stocked in the USA. Available now.
