SAVANNAH

SilverState fabrics™
Exclusive

sunbrella®
Silver State is booking our best collection to date with SAVANNAH (an exclusive collection). SAVANNAH is an updated take on Southern style. The palette is soft and warm. Navy/blue is the color that brings a bit of drama and prestige to the color family. The hand is supple without heavy texture. And the patterns vary from botanical to linear.

Cambridge and Chamberlain are a matching buffalo plaid, and 3 tone stripe duo that are classically influenced. There is the satin finished stripe, Veracruz, with saturated color that only an up the roll stripe can produce. We have a wide bar stripe, Bridgeport. The pattern has multiple colors to choose from and a very subtle but different texture in the two stripe colors. Vanity is a textured pinstripe which uses the newest Sunbrella® colors in soft blue, orange and citrus.

Landscape and Amazon are great botanical patterns. Landscape is inspired by the French roaring 20's artwork. Amazon is an all over pattern of fronds with monotone colorings. The patterns give a calm aura that leans more toward an Arboretum and less to middle aged men’s summer shirts.

There is also plenty to coordinate with and available now on our website www.silverstatetextiles.com. Everything is in stock. See your representative for a showing.

SILVER STATE INC. INTRODUCES
COLOR MATCH GUARANTEE PROGRAM

It is with great confidence that we announce our COLOR MATCH GUARANTEE program. This exciting program covers our stocked fabrics, in both the Silver State and Alaxi brands. This program is effective March 1st, 2016.

Color Match Guarantee is associated to only the items in our line that are supported with the logo shown above that appear on memos, showroom samples or books that come directly from Silver State Inc. This program also covers yardage purchased from Silver State or Alaxi (must be within 30 days of invoice).

Most importantly, our COLOR MATCH GUARANTEE will eliminate the dreaded "cutting for approval" (CFA's). The benefits of this program are the following:

- No more concerns with dye lots.
- No more worries about additional yardage ordered and not matching your previous order.
- No more delaying jobs while waiting to receive cuttings for approval.
- Quicker turnaround for projects. Benefiting you and your clients.

Effective immediately we will no longer provide CFA's on fabrics in the COLOR MATCH GUARANTEE program. Memos and reserves are still available.

This applies only to items marked with the COLOR MATCH GUARANTEE logo (as seen above).
Sunbrella® fabric solutions for the home

Sunbrella is a trusted name in dependable, functional colorfast fabrics. From outdoor furniture and awnings to convertible tops, Sunbrella has been supplying the world with lasting fabrics for over 40 years. Now Sunbrella wants to share with you its unique and amazing qualities!

Sunbrella fabrics are made of durable, all-weather Sunbrella acrylic. Resulting in a quality fabric that obtains the following characteristics:

- feels soft and comfortable
- retains its color and strength
- withstands years of normal exposure to sunlight and rain
- resists mildew, rot, chlorine, and atmospheric chemicals
- cleans easily (see below)

CLEANING INSTRUCTIONS

Most stains on Sunbrella fabrics can be cleaned with mild soap and water solution, but here are some other options:

- Spot wash by sponging briskly with a solution of natural soap in lukewarm water.
- Rinse thoroughly with clean water to remove soap and air dry.
- For stubborn stains, use fabric spot remover. Follow the directions on the container.
- For removable cushion covers, machine wash in cold water with a mild soap, air dry.
- Sunbrella acrylic does not promote mildew growth. However, mildew may grow on dirt and other foreign substances that are not removed from the fabric. To clean mildew stains, prepare a mild solution of one cup bleach and two capfuls of natural soap per gallon of water. Spray on entire area and allow to soak in. If necessary, scrub vigorously with sponge or clean rag. Sponge thoroughly with clean water and air dry.
